

## About SOMI

SOMI has been serving the needs of clients with comprehensive products and services for over 30 years.

Founded in 1982 in St. Paul, Minnesota, our clients range in size from companies with less than 50 employees to those with several thousand employees located across the U.S. We provide products and services to both fully-insured and self-insured employers.

SOMI is a licensed Third Party Administrator and is a professional member of Society of Professional Benefit Administrators (SPBA), Minnesota Association of Health Underwriters (MAHU) and the National Association of Health Underwriters (NAHU).

SOMI supports your business by enhancing your HR processes and managing your benefit programs, leaving you more time to manage your business.
